捷克生命科學大學-趙o晴-校園景觀的一隅

這張照片是在位於捷克生命科學大學校園的花園Libosad拍攝的。這座花園佔地約5公頃，種植許多樹木、花朵和香草。園藝學老師帶我們學生參觀這個秘密花園，解釋如何美麗的園藝造景是如何打造。藍天白雲映照在清澈池塘水面上，還可以看見魚逍遙自在地游泳。這是我在校園看過最美的風景之一，因此在2022年9月27日用手機拍攝了這個池塘的照片。在此推薦給未來會造訪捷克的朋友。

This picture was taken in Libosad, a beautiful garden located on the campus of the Czech University of Life Sciences (CZU). It is a must-see destination for students interested in nature, botany, or horticulture. The horticulture teacher showed students this hidden gem on the CZU campus to explain how landscape architecture looks gorgeous. The blue sky and white clouds reflect on the water's surface, and the fish swim freely. This is one of the most beautiful scenes I have ever seen. As a result, I took a shot of the pond with my phone on September 27, 2022.
