

College of Engineering

2021 SPRING

BACHELOR

B

MASTER

M

PH.D

P

Graduate Institute of Precision Engineering

COURSE NO. & NAME	STUDY LEVEL	FIELD
6841 Design of Microfabrication Processes for MEMS	M	Science and Engineering
6843 Nano Technology and Measurement	M	Science and Engineering
6846 Seminar (I)	M	Science and Engineering
7368 Seminar (II)	M	Science and Engineering
8224 Seminar(III)	P	Science and Engineering
6848 Biomedical Instrumentation	B M	Science and Engineering

DEPT of Mechanical Engineering

6715 Metal Cutting Principles	M	Science and Engineering
-------------------------------	---	-------------------------

DEPT of Electrical Engineering

6781 Integrated Optics	M	Science and Engineering
6817 Photonics Introduction	M	Science and Engineering
