學校簡介
Introduction

With eight institutions of higher education, Graz is a real student city and is regarded as one of the cities of central Europe and the European Union with the highest quality of life. TU Graz offers bachelor's, master's, teacher training and doctoral programmes as well as postgraduate programmes. Master's programmes held in English are a key prerequisite for the exchange of international students and teaching staff. An extensive range of undergraduate programs are on offer at TU Graz, including: Architecture, Chemistry, Electrical engineering, Information and computer engineering, Mathematics, Molecular biology, and Physics.
