學校簡介 Introduction	<p>The University of Liège is the comprehensive public university of the Wallonie-Brussels Federation. It reflects two centuries of renowned teaching and academic research, as well as an intellectual tradition which has put Liège on the map since the Middle Ages. ULiège is one of the leading universities in Belgium. Since its inception in 1817, it has developed an association with the scientific, economic and cultural development of the country.</p> <p>Apart from any convictional affiliation, ULiège offers a wide range of high-quality programmes, including several exclusivities in French-speaking Belgium such as space science and clinical training in veterinary medicine. ULiège is also part of the major European and international mobility and scientific excellence networks. This avails its community to multiple opportunities for international research and study programmes: In Liège, students and researchers encounter a multilingual and multicultural academic environment. In 2017, the University of Liège is celebrating its 200th birthday. It ranked 429 in 2020 QS World University Ranking.</p>
