學校簡介  
Introduction

Throughout over 60 years of its existence, the Cracow University of Technology has often updated study programmes and courses, each time adjusting them to the current scientific conditions and needs. Along with the academic programmes, CUT's infrastructure has been improved. Nowadays, the premises of the Cracow University of Technology cover 110 ha. Apart from the main campus in Warszawska Street there are also: the campus in Czyżyny, a former royal palace in Podchorążych Street, an ancient mansion in Kanonicza Street located near the Wawel castle and the historic buildings in Zakopane, Janowice and Wola Zręczycka. The Sports and Recreation Centre administers two modern sports centres, including tennis courts (in Kamienna Street and in Czyżyny), and the Sailing Club in Żywiec.

Composed of 7 faculties, the university is well equipped with hard print and electronic collections presented in the Library of CUT. Interdisciplinary units, research societies, art galleries, student clubs, a radio station, a choir and various other organizations give students opportunity to pursue their interests. Countless bilateral agreements signed with various scientific centres promote EU educational partnership, common research, student and faculty exchange as well as the possibility to obtain certificates and diplomas.

In the academic year 2008/2009 as many as 15 000 students and 175 doctoral candidates attended the Cracow University of Technology. They were taught by 1200 highly qualified scientists. As a whole, the university makes an outstanding contribution to Kraków's scientific and cultural accomplishments.

學期制度  
Academic  
Calendar

秋季 Fall Semester

春季 Spring Semester

1st October – mid- February  
**Application deadline :**  
30th May

end of February – 30th of June  
**Application deadline :**  
15th November

交換人數  
Quota

2 students per semester

交換資格  
Eligibility

Both undergraduate &  
postgraduate

<b>註冊繳費 Tuition Fee</b>	Exempted	<b>語言條件 Language Requirement</b>	<b>CEFR B2</b>
