---

1. School of Engineering;  
<https://www.eng.kyushu-u.ac.jp/e/organization.html>  
<https://www.eng.kyushu-u.ac.jp/e/movie.html>
2. Graduate School of Engineering;  
<https://www.eng.kyushu-u.ac.jp/e/organization.html>
3. Graduate School of Information Science and Electrical Engineering;  
<https://www.isee.kyushu-u.ac.jp/e/organization.html>

## **What Types of Programs Can Nominated Student Apply?**

---

1. Class enrollment only (Nominated student can enroll in courses of his/her interest at our faculty)
2. Research focus (Nominated student can join a research lab in the Graduate School and do research)
3. Combination 1. and 2. (Nominated student can take classes of his/her interest while doing research)

## **What Kind of Documents Does Nominated Student Need to Provide?**

---

1. Application form with your handwriting signature, not e-signature
2. Enrollment certificate issued by the home university
3. Official academic transcript issued by the home university
4. Letter of recommendation written by the academic advisor of the home university (with handwriting signature is preferable.)
5. Photocopy of passport

## **How to Apply for the Student Exchange Program?**

---

1. Students who would like to apply for the student exchange program must go through the nomination process of the home university.
2. Nominated students must submit the application documents to their home university.
3. Their home university submit the scanned ones to Kyushu University.
4. After the application materials have been checked by Kyushu University, original ones must be sent to Kyushu University by postal mail.
5. After approval students' admission, Kyushu University sends the certificate via e-mail.
6. The International Affairs Division of Kyushu University (nor our office) will contact the students directly via email to introduce On-line application system about CoE (Certificate of Eligibility), the dormitory and other related information entering Japan.

### **[IMPORTANT]**

- *For the students taking courses; The notice of course registration will be sent to the exchange students directly via email around late September (for October admission) or late March (for April admission). Due to the KU regulation, undergraduate students cannot take classes for Graduate students. Graduate students can take courses for undergraduate students except KIKAN education courses. In addition, exchange students can only take classes in Schools/ Graduate Schools with which they have the agreement.*
- *For the students ONLY taking courses; Exchange students must select courses to meet at least 10 credits each semester under Japanese immigration law.*
- *For students who would like to conduct research activities; You may need to reach an agreement with your prospective supervisor in advance. In case you plan to research activities at lab, please consult with Kyushu University through the home university with name of your prospective supervisor at KU. In principle, exchange students cannot conduct research activities at lab without prior approval.*

## **You Might Want to Know... For Your References**

---

The courses and timetables are arranged for degree students, therefore detailed information and timetables are fixed only several weeks prior to the semester. However, you will know English taught courses from the following website for your reference. Also, if you would like to know the details of classes, you can search Syllabi as well.
